

## Environics Participation at Events

1. Our MD - Mr. Ajay Poddar was invited to talk about the company's initiative on conducting Awareness-Diagnostic-Solutions programmes (Enviro Health) at Medcon 2016, organized by Assocham on 10th March. The audience was fascinated to know about 71 parameters being detected in a span of just 5 minutes & simple Do-It-Yourself techniques as a solution.

2. Our Director - Mr. Pranav Poddar was invited for a talk on how to make homes healthy for its occupants to the residents of the Garden Estate Society in Gurgaon on 5th March. One of the residents Mr. John said - "I never knew earth's magnetic grid lines could have such a massive impact! Energy Correction is the need of the hour."

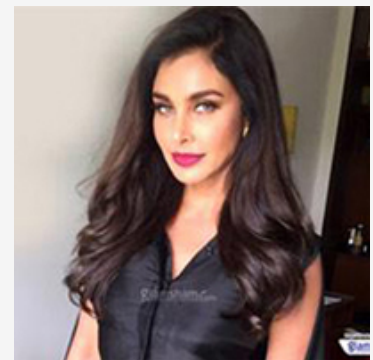

3. TeleAnalysis Device World 2016 - a conference on the issue of "Safety & Security from Devices" was held on 17th March and invited our Director - Mr. Pranav Poddar to throw light on the safety measures one should take for protection against radiation from electronic gadgets.

## What's buzzing at Environics?

**Celebrities make their homes radiation friendly!** Cricket Icon **Anil Kumble** & Bollywood Actress **Lisa Ray** opted for radiation management solutions for their residences in March.

HPCL plants & refineries now have more productive machines & healthier workers! HPCL Plants at Anantpur, Vijaywada, Aurangabad, Chennai , Indore & Bhadurgad implemented Environics Radiation Management services in February and March.

## A Bee in your bonnet

An article on the impact of radiations on human health & the usage of radiation protection chips was published by Hindustan Times on 20th March. A quote by our Director - Mr. Pranav Poddar was carried along with testimonials from a couple of people who shared their experience of how by using Envirochip the buzzing in their ears due to excessive usage of mobile phone reduced significantly.
