Environics Events

Environics participating in Awareness Drive

Many Educational Institutes, Colleges and Schools are inviting us to give an awareness talk on the subject of Electromagnetic Radiation (EMR) from electronic gadgets being harmful for health and how to protect oneself from such radiations. Recently, talks have been given by us at New Delhi Institute of Management, Adarsh Public School, JKG International School and a few others.

Enviro Chip bought by School and colleges for their student

In addition to many organizations buying the Enviro Chip to gift to their employees, many Colleges and Schools are now buying the Enviro Chip from us to gift to their students as a 'We Care' gesture and to protect them from the harmful effects of EMR on their health. Recently, the New Delhi Institute of Management has bought the Enviro Chip for Mobile Phones in bulk from us for this purpose.

Health Diagnostic Programme conducted by Environics Doctors

We recently conducted a Health Diagnostic Programme for over 2 CEO's / Directors / senior officials of large organizations at India Habitat Centre on 1st February, 2014. All the participants really appreciated this programme and have shown interest in introducing this programme within their own organizations for the benefit of their employees and for improving their health and productivity.
