- [Coverage of Envirochip on NDTV's Cell Guru TV Show](https://www.youtube.com/watch?v=U4FVEXWepeA) (https://www.youtube.com/watch?v=U4FVEXWepeA)

Envirochip has been covered by "Cell Guru" on NDTV, demonstrating its benefits for protecting people from radiations from mobile phones and other gadgets.

Quote by NDTV

Envirochip - One of the best products to use on mobile phone and other gadgets safely

Environics Events

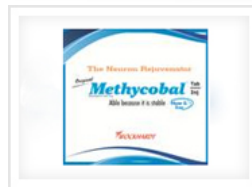

Mr. Ajay Poddar was invited to speak in an event organized by ASSOCHAM on "Smart Cities" on 12th November. Mr. Poddar stressed on the need to make smart buildings healthy for it's occupants by detecting and correcting the negative radiations in them and also by improving the indoor air quality so that people living or working in such buildings are healthier and more productive.

Impact of Environics - over 95 million sq.ft area covered!

Environics has been implemented in over 95 million sq.ft built up area, over 44,000 acres of plot area and has impacted the lives of over 130,000 people till date.
